### REASONS FOR ALLOWANCE

Claims 15-20 are allowed.

The following is an examiner's statement of reasons for allowance:

The claims are considered patentable because of the inclusion of the claim limitations, a processor that determines if a job, mode, or procedure is enabled only for special toner stations from a list of special toner stations, that is not taught by or suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
